

## **If you're interested in getting involved, please make sure you:**

1. Are a student in Year 9-12 with an interest in art and or science – No experience necessary!
2. Have a parent or guardian willing to sign a consent form to allow you to participate. We're happy to chat with them on the phone if they have any questions or concerns.

## **HOW TO APPLY (IT'S EASY!!) :**

- Email a sentence or two about why you would like to be selected for CoLab.
- Attach some support materials, this could be a picture of a creative artwork or a just previous project of any kind you've completed. Are you a musician? Or just don't like writing? Send an audio! Anything you can think of!
- If you don't have any creative support material that's ok but share something that highlights your interests. A few photographs or even just a few extra sentences.

Think outside of the box! This project can be for anyone 😊 What we are looking for are students that show a keen interest in the project and a willingness to step up to the challenge 😊

If you're more comfortable speaking than writing, please just include your phone number in the email and let us know a time that might work for you to chat. It's also OK to have a teacher, parent, or friend send us an email on your behalf.

Please email through your applications by the **6<sup>th</sup> of March** to [lucy@beakerstreet.com.au](mailto:lucy@beakerstreet.com.au)
